

Cut

Medium Duty

## High comfort cut protection with up to 75% more durability

- Well-suited for a broad range of assembly applications
- Designed for dry or slightly oily applications where workers need cut protection, and in some cases, protection from intermittent contact heat up to 212° F (100 C°)
- Nitrile coated and cut-resistant, offering optimal comfort and a secure grip for enhanced productivity, safety, and value

### Industries

- Automotive
- Machinery and Equipment
- Metal fabrication

### Applications

- General maintenance
- Maintenance inspection
- Handling of glass sheets, sharp edged objects
- Plastic injections
- Molding

# HyFlex®

ADVANCED MECHANICAL PROTECTION

## 11-550

Longer lasting cut protection with  
INTERCEPT™ Technology

### Key Features

- The liner provides excellent cut resistance and comfortable fit
- Excellent protection from nuisance nicks and abrasion
- The nitrile coating is engineered to provide workers with a secure grip in dry to light oil applications
- Black palm coating for extended use life

### Performance Standards & Regulatory Compliance

#### REACH Compliant
