Lined Full-Grain Leather with Cotton Back Gloves A5 Cut-Resistant, 4" cuff

MKVVH45

Description

These Kosto full grain leather winter work gloves feature a cotton back and a boa and Kevlar lining. They offer 2700g of cut protection with ANSI/ISEA 105-2016 level A5 certification. The fingertips of this safety glove are reinforced. The 4" rigid safety cuff makes sure to protect the wrist and the elastic adds extra comfort. Leather knuckle bands and heavy-duty stitching make this a rugged choice to protect your hands in winter work conditions.

Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.
