Acrylic Plastron

THKN80

Description

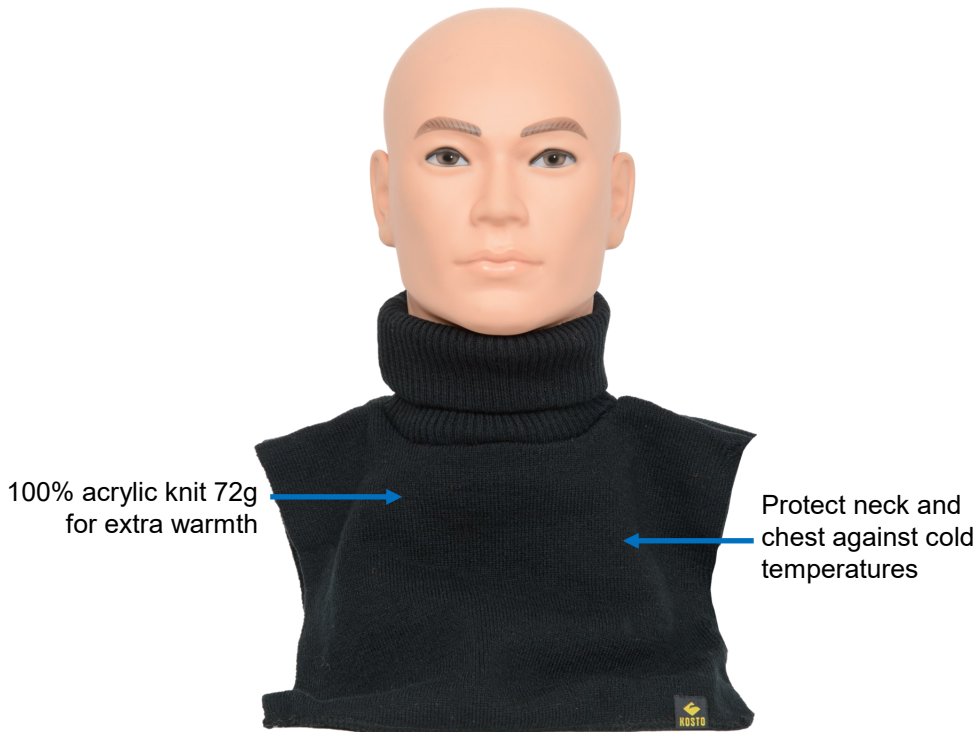

The 72g acrylic plastron is a must-have cold-weather accessory. Unisex, it offers a comfortable fit with its stretch fabric helping to keep warmth in. Worn under a coat or jacket, it acts as an extra layer of thermal insulation, creating an effective barrier that reinforces protection against the cold while keeping the neck warm.

Washing instructions and use

Washing instructions:

Machine wash in cold water at 85°F/30°C, using a delicate-cycle detergent.
Lay to dry, as acrylic is heat-sensitive.
Do not bleach
Do not iron

Use in cold work environments over or under safety helmets.
