FR 3-Piece PVC-Coated Polyester Rainsuit

VHKF50

This economical FR 3-piece waterproof set from Kosto will protect you from the elements and keep you visible at all times. It's made from 100% polyester fabric with a water-resistant PVC coating. The set consists of a jacket with removable hood, bib overalls and easily adjustable suspenders. Seams are sealed by lamination to ensure watertightness.

Certifications

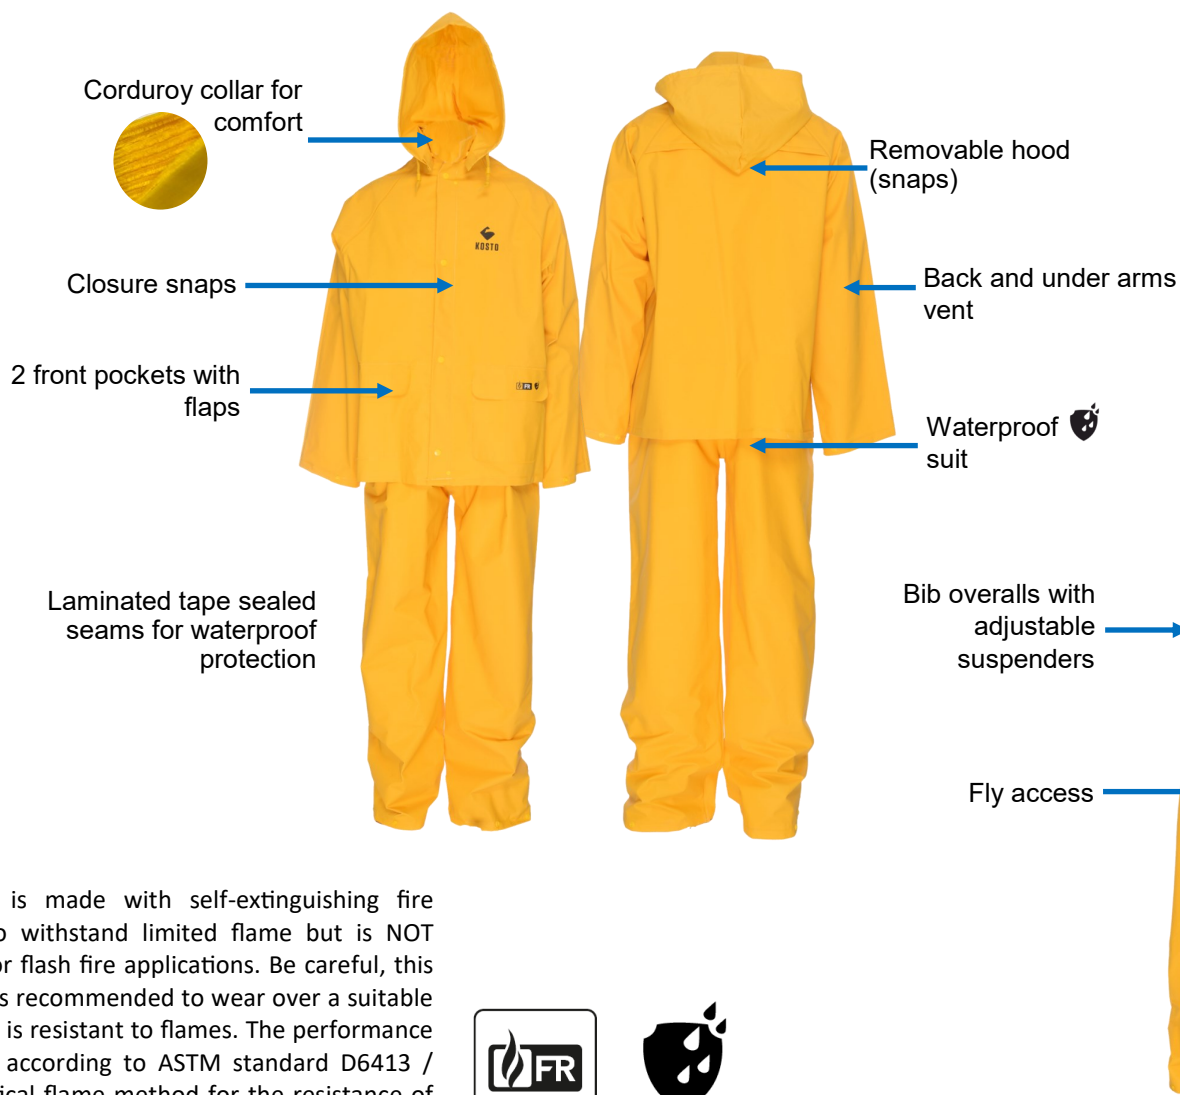

- The performance of the fabric is tested according to **ASTM standard D6413 / D6413M** using the vertical flame method for the resistance of

Matériel

- Made of 100% polyester fire retardant 0.35mm
- PVC coated

Size:

S à 5XL

This garment is made with self-extinguishing fire retardant treatment to withstand limited flame but is NOT designed for arc flash or flash fire applications. Be careful, this fabric can also melt. It is recommended to wear over a suitable protective clothing that is resistant to flames. The performance of the fabric is tested according to ASTM standard D6413 / D6413M using the vertical flame method for the resistance of

Care Guide

Care Instructions

- Protective garments should be cleaned regularly, as per recommended instructions.
- For non washable products, spot clean any areas of heavy dirt with a damp, clean cloth.
- Strictly wash garments inside out.
- Always wash your Flame Retardant PPE separately to avoid some migration of flammable loose fibers or components.
- Please make sure that garments are properly rinsed after wash.
- Do not dry in direct sunlight as this may cause color to fade.

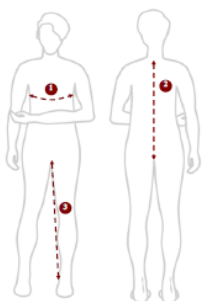

Wash care instructions

- Use a mild detergent and clean rag to remove dirt from material
- Do not bleach
- Do not iron or machine dry
- Do not use dry clean products
- Let air dry before storing
