### Softshell Jacket with 4" Reflective Tape

#### VMK227

The soft shell jacket is made from 100% water-repellent polyester fabric with a waterproof rating of 3000mm. Several zippered pockets allow you to store the gear you need for your work without soaking them. VMK227 is a great multi-layer option because it's non-bulky, so it's perfect for your everyday work, whatever the weather. It's lightweight, warm and quick-drying to maximize your comfort.

The jacket is equipped with reflective tapes to make you visible day or night for greater protection. It complies with CSA and ANSI visibility safety standards.

### Care Guide

Fluorescent  
Fluorescente

#### Washing instructions:

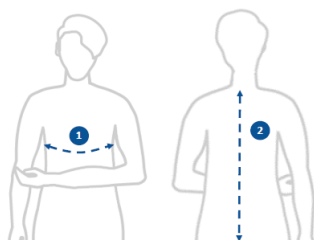

- Machine wash in lukewarm water
- Do not bleach.
- No fabric softener
- Hang to dry

#### Care Instructions

- Protective garments should be cleaned regularly, as per recommended instructions.
- Please make sure that garments are properly rinsed after wash.
- Do not dry in direct sunlight as this may cause color to fade.
- After cleaning the garment, please inspect before re-use
